

2007–2015 Mazda CX–9 Compressor: 6512509 Additional Adapter Included

In anticipation of model variances, gpd compressor 6512509 is packaged with additional adapters compatible with newer Mazda CX–9 models. If installing gpd compressor 6512509 on a 2007–2015 Mazda CX–9, it is unlikely the adapter will be needed. However, some models may feature electrical updates seen in later Mazda CX–9 systems. In these cases, the connector need simply be replaced with an included adapter.
