

1999 Mitsubishi Mirage 1.8 L4 Gas Engine Compressor Options: 6511562 and 6511657

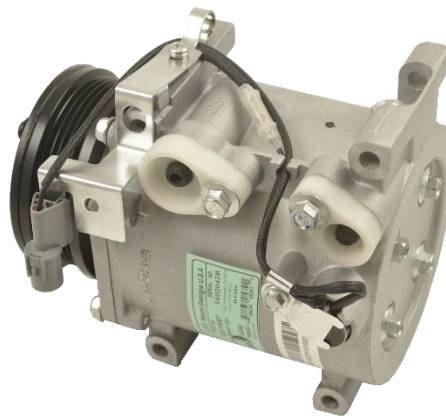

gpd offers two compressor options for the 1999 Mitsubishi Mirage 1.8 L4 gas engine to suite model updates. They can be distinguished by the location of the suction and discharge hose connections.

- gpd compressor 6511562 is a Sanden style replacement with mounting connections at the bottom of the compressor. The suction and discharge hose connections are located side by side.

6511562 • Side by Side Hose Connections

- gpd compressor 6511657 is another replacement compressor for the 1999 Mitsubishi Mirage 1.8 L4 gas engine. Compared to the Sanden style above, this compressor is designed with the suction and discharge hose connections slightly further apart.

6511657 • Hose Connections on Opposite Ends
